**DONATE LIFE ORGAN & TISSUE DONOR AWARENESS UPDATE**

Congratulations and many thanks to all Lions members, relatives and friends who helped to make our promotion with Bunnings Warehouses and the NSW Organ and Tissue Transplant Service such a success.

Some clubs in northern NSW are part of District Q1 and our thanks to their DG for giving them the OK to participate.

Donate Life representatives worked hard to contact their delegated clubs either at meetings or by phone during the weeks leading up to Donate Life week, so as many people as was possible could provide the details of the organ donor process to Bunnings customers. As well, Lions should have taken the opportunity to use the promotion as part of a membership drive for each participating club.

Donate Life having organised the pink caps, display items, handouts and information brochures are keen to receive payment of the \$150 per session (\$300 for two sessions).

Over 100 clubs took part and 60 clubs have settled their accounts. Would those forty clubs still outstanding please pay before the deadline date of **TUESDAY, APRIL 22, 2014**.

Payments can be forwarded as follows:

1. Cheques are to be made payable to: "NSW Organ and Tissue Donation Service".

Post Cheques to: Samantha Glanville  
Community Events Liaison Officer  
NSW Organ and Tissue Donation Service  
PO Box 486  
Kogarah NSW 1485

**Note: Please indicate a return address for sending a receipt acknowledgement of the donation.**

2. Direct Bank transfer into the South Eastern Sydney LHN Special Purpose and Trust Account.  
BSB: 032-099  
A/C: 521 557  
Account Name: South Eastern Sydney LHN  
Description: NSW OTDS

If you chose the bank transfer option, could you please email details of the remittance advice to:
